This resource was made primarily with a single skin-tone as it is intended to be used with a specific person. To personalise the story, you can customise skin-tones, change symbol colours and add your own photos. For more information on how to do this, access our free training webinars at <https://www.widgit.com/training/index.htm>

All of the materials are copyright. Files and documents printed from those files may be used within the purchasing organisation. They may not be passed to other centres.

My name is

Sometimes

I play with

my friends.

Sometimes

I play with

my siblings.

Sometimes

I play with

my cousins.

  
Playing can be fun.

  
When we play it is good to take turns.

   
Taking turns means one person has a turn then

 
another person has a turn.

Taking turns

is good

so

that everyone

has a turn.

Sometimes

people

have the

first

turn.

Sometimes

people

have the

last

turn.

Sometimes

people

don't like

taking turns.

They might

feel worried

about

when

it will be

their turn.

They might

get

cross

or

upset.

It is good

to

be kind

if

someone is upset.

An adult

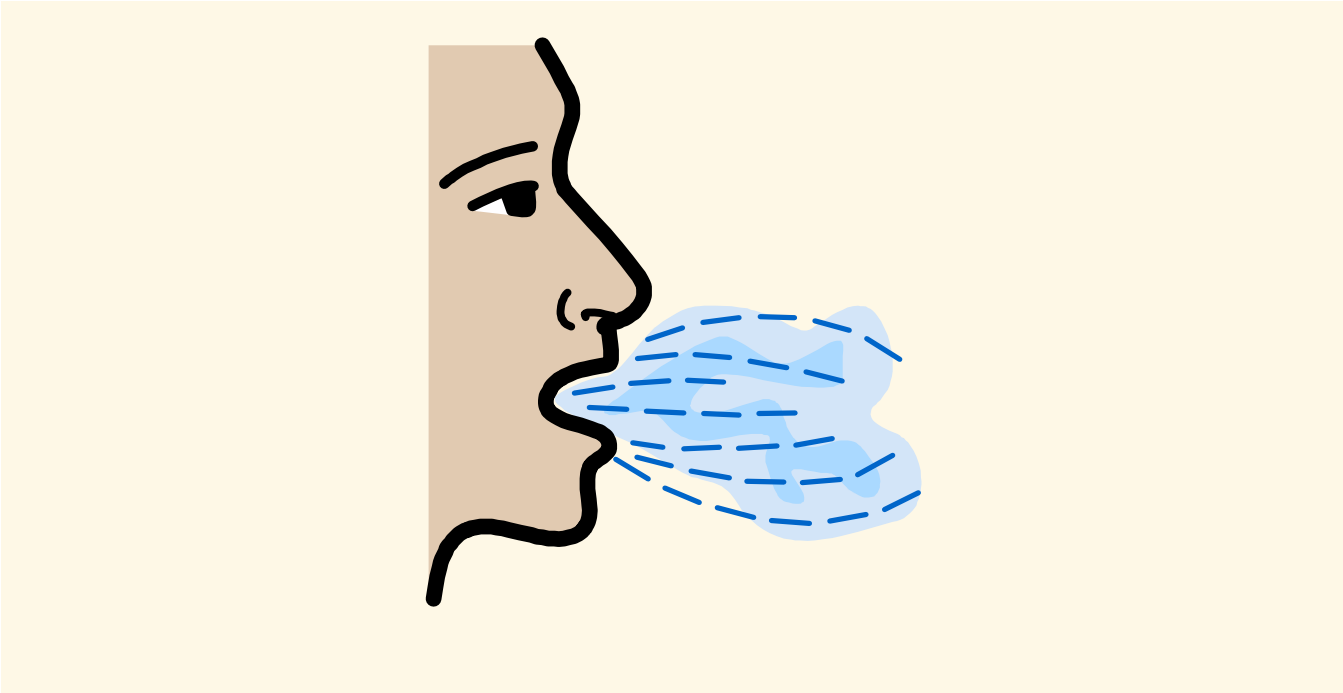

can help me

to wait

for my turn.

To stay calm I might:

•Take deep breaths

•Ask for squeezes

•Use my fidget spinner

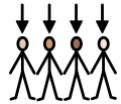

• Watch what the other person is doing in their turn.

 I am learning to take turns.

 Taking turns might feel good.

 Taking turns helps everyone be a good friend.

 WELL DONE ME!

Taking Turns

Staying Calm

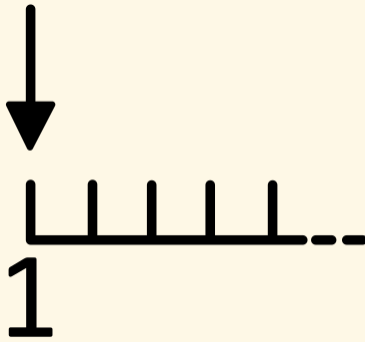

play

take turns

first

fun
